## ANDROID DEVELOPER ENTHUSIAST

I am Bayu Setiawan, a 6th-semester Computer Science student at Universitas Pembangunan Nasional "Veteran" Jawa Timur. Passionate about full-stack and Android development, I actively engage in projects to enhance my skills. I participated in the Bangkit Academy Independent Study Program, where I gained valuable experience in Android development. Additionally, I joined the Mobile Development Community at my university, where I contributed to various front-end and full-stack development projects while mentoring fellow students.
